The Canada-Quebec Labour Market Development Agreement stipulates that Quebec is responsible for providing Employment Insurance claimants with employment programs and services. Further to the information provided in your Application for Benefits, we are referring you to Emploi-Québec so that you may take advantage of their employment services. Over the coming days, therefore, you will receive a notice of appointment at the nearest Local Employment Centre (CLE). Should you fail to attend this appointment without a valid reason, you could jeopardize your entitlement to Employment Insurance benefits.
